

Instructions for Alaska Large Passenger Vessel Gambling Tax Return

General Information

Who Must File a LPV Gambling Tax Return?

All operators of gaming or gambling activities conducted aboard large passenger vessels (LPV) in waters under the jurisdiction of the State of Alaska are required to file a LPV gambling tax return.

Large passenger vessels are vessels that provide sleeping accommodations for all passengers and make at least one voyage of the type described in Title 15 USC, Chapter 24, Section 1175(c)(2) during the year.

Tax Rates and Due Dates

AS 43.35.200-220 levies a tax of 33% of adjusted gross income from gaming and gambling activities conducted aboard large passenger vessels while in waters under the jurisdiction of Alaska. The annual return and tax is due on or before April 15 of the year following the calendar year in which gaming or gambling activities were conducted.

Extension of Time to File

If an extension is needed an operator must file an application for extension of time to file (form 225) on or before the due date. An extension of time to file is not an extension of time to pay. A copy of the extension request must be attached to the return at the time the return is filed.
